Siemer Milling Youth Development Grant

In August, TriStar Academy and Aspire High School were awarded a grant from the Siemer Milling Youth Development Grant in conjunction with the Southeastern Illinois Community Foundation to assist with the cost of Student Ambassadors.

Thanks to the Siemer Milling Company's generous donation, we were able to purchase each Student Ambassador an embroidered polo shirt for speaking events as well as some new Chromebooks for research and presentations.

Student Ambassadors are selected from interested applicants in Aspire and TriStar Academy based on their attendance, academics and behavior. Selected students attend trainings to learn soft skills used for job interviews, self-advocation and public speaking.

Thank you Southeastern Illinois Community Foundation and Siemer Milling Company!

This year we are pleased to have two new staff members join our YES team.

ICEARY Student Ambassadors' Academy

ICEARY will be hosting the 3rd annual Student Ambassadors' Academy on Wednesday, September 27, 2017 at the State House Inn in Springfield.

Student Ambassadors from across Illinois will come together at a day-long workshop to learn how to effectively speak with legislators and other public officials, advocate for themselves and our RSSP/TAOEP programs, how RSSP and TAOEP programs are funded by the State of Illinois and the important role students play in shaping Illinois government.

Attendance is Key

Good attendance is key to good academic performance. Please call the school by 9:00 a.m. the morning of an absence followed by a note when your student returns to school.
